LET YOUR SKIN DAZZLE LIKE A DIAMOND

ABOUT

The innovative and exclusive functional gummy based on *L. plantarum* NuPro-06 tyndallized probiotic, Vitamin C, Hyaluronic acid, Selenium and OleoActive MA and OleoActive HT olive extract standards will boost your skin health, beauty and youth.

YOUR SKIN IS CHANGING BUT...
THE SOLUTION IS HERE

YOUR NATURAL ANTI-AGING BOOSTER

WHY

- **NuPro-06:** Advanced oral formula of *L. plantarum* tyndallized probiotic with an exclusive process patented by Nutris, for the prevention and treatment of dermatological problems, as well as skin imperfections, sunspots, acne and wrinkles. It increases the collagen synthesis and promotes wound healing.
- **Vitamin C:** Contributes to the normal formation of collagen for the normal function of the skin. Also protects from cellular damages due to its antioxidant activity.
- **Selenium:** Contributes to the maintenance of hair and nails in normal conditions. Thanks to its antioxidant activity, it protects cells from free radical damage.
- **Hyaluronic acid:** Natural component of the skin with regenerating, soothing, moisturizing and protective properties. It also helps to reduce wrinkles and prevent skin aging, thanks to its antioxidant action and its ability to stimulate collagen formation.
- **OleoActive MA:** Olive extract standardized to 30-60% maslinic acid and 5-15% of oleanolic acid. It has an anti-aging effect, improves general skin tone, reinforces skin barrier function and has anti-inflammatory effects.
- **OleoActive HT:** Hydroxytyrosol extract standardized to 4-20%. It is considered as the most powerful natural antioxidant. It restores skin balance and acts as a photoprotective agent, scavenging UV radiation.
